Dear Mr. Clark:

We have received your amended notice and have determined that it complies with the terms and conditions of the notice of noncompliance dated May 16, 1997; however, we have determined that the amended notice is incomplete because a change in the regulations as of March 31, 1997 requires submission of reclamation calculations and a financial guarantee. The regulations can be found in 43 Code of Federal Regulations 3809.1-9. We have previously sent you copies of the regulations and some forms.

You shall submit all necessary documentation regarding the financial guarantee within 30 days from the date of this letter. If you need additional time, you may request an extension before the 30-day period runs out. You must include with your request, the reason for the extension and the amount of time needed.

If you have any questions, please feel free to contact Dean Nyffeler or Neil Simmons of my staff at 801-636-3600.

Sincerely,

MARK E. BAILEY
